

August 12, 2010

TO: All Returning and New York Curling Club Members:

At our recent Board meeting, registration was discussed and the current registration numbers for each league reviewed.

In June of this year an email from the YCC Board of Directors was sent to you outlining the guidelines in allocating ice and resolving scheduling issues for the upcoming season. The board indicated that it was in the best interest of the club not to put a hard cap on the number of players/teams permitted to register for the upcoming season. The board also cautioned that a cap may be required for Friday social curling. Our current registration for the Friday night social league has confirmed this.

In order to provide the best curling experience for all curlers in this transition year, this league will be capped at 144 players, comprised of 3 draws, with 48 players on each draw. As of August 12th we have 100 registered in Friday night social. If you are interested in curling in this league, we urge you to complete your registration and mail it in as quickly as possible to avoid disappointment.

A reminder that registration is now open to both returning and new members and is ongoing up to and including our in person registration night on September 16, 2010. For registration forms and information, please visit the membership section on the YCC website at www.yorkcurlingclub.ca.

See you in the new season

**Kent Milford
President York Curling Club**
