

## VOLUNTEER COMMITMENT

As you know, volunteers are the backbone of the York Curling Club. The time and effort of our volunteers reduces the costs needed to maintain the Club. This is your Club...we need each of you to help in some small way.

Volunteer opportunities can occur in many ways – bonspiels, kitchen, committee members, school lessons, ice assistance, maintenance, fundraising – the list goes on and on.

Please think about offering your services. Below is a list of ways in which you can help. Check off the one(s) that appeal most to you, and return this form to the club to my attention.

*Linda Potter, Board Member – Volunteerism*
