

**YORK CURLING CLUB**

## *President's Message*

**VOLUME 7, NUMBER 4  
APRIL 2007**

Well, here we are at another end of a great curling season. It has been another successful year and we are continuing to grow. The bonspiels, the leagues and the special events have all been well received. These past months there has been a huge amount of work done by our Board, our league organizers and special events people, who are all volunteers...awesome! I also want to thank all those persons who not only donate their time, but prizes as well. Big thanks, to all of you!

If anyone is interested in becoming a Board Member, now is the time. We will be reviewing the Board positions and swearing in the members in the next 2 months, so please speak to a Board Member and let your intentions be known. We have a few members of the Board that may be stepping down, so step up and help keep this club vital.

The curling club is an excellent place to curl. How about a place to be...a place to do something other than curl. Think about participating in shuffleboard this summer...as we have the Newmarket Shuffleboard Club in here every Wednesday afternoon. Contact Joe Zammit at (905) 722-7765. Also, this summer, Wayne Walters and I are organizing a baseball league that will play Thursday nights under the lights, in the Newmarket Fairgrounds, utilizing the club after the games for some post-game festivities. We are looking for 4 teams, mixed slo-pitch, so if you have a team, or just want to join one, let us know.

Have an excellent summer and keep checking out our website at [www.york.curlingclub.ca](http://www.york.curlingclub.ca), just because the ice comes out, doesn't mean there is not activity in the club...come on out!

Rob Bell, President
