

President's Welcome

On behalf of your 2008/09 Board of Directors, I'd like to welcome back all returning members and convey a special welcome to the new members of the Club. We are all looking forward to another great season of curling and fellowship. It was a busy summer at the Club as we made significant investments in our ice facilities. Improvements included a new roof, painting of both the ceiling and walls, new lighting, new carpeting, as well as upgrades to the ice plant room to make it TSSA compliant. In addition to the ice facilities, we replaced the windows in the change rooms, purchased a water softener, replaced damaged tiling in the men's change room, installed an LED screen over the bar and completed several mainte-

nance projects. Thank you to all those involved in making these enhancements happen.

For those who haven't heard, at this year's Annual Shareholders' Meeting, the shareholders passed a special resolution to cancel all shares and convert the Corporation to a Corporation without share capital. In short, the Club will be run by the members once a new charter is drawn up and approved. In closing, I'd like to encourage all members to take full advantage of the facilities (yes, we now have Leaf's TV) and participate in the many special events happening throughout the year. Keep an eye on the LED screen and make a point of visiting our great website (www.york.curlingclub.ca) regarding upcoming events.

FROM THE JUNIORS

A lot of our Junior members are in high school and require community hours. As we go through our curling season, please feel free to contact Catherine Visser (905)853-6658 for names. Our younger members are always ready to help our Club and community. They love to help with bonspiels. On their behalf, thank-you!

We have approximately twenty keen brand new curlers in our Little Rock section this season! If anyone has extra small or small used grippers around the house and would like to donate them to our programme, we'd be happy to have them. Just leave them with the manager. Thank you!

The Little Rock programme would welcome the help of any Juniors who are interested in collecting volunteer hours for their high school diploma. Please contact Cory Randell at 905-478-2705.

FROM THE LADIES

Once again this year the Ladies' Executive hosted a "Meet n Greet" evening for returning and new curlers. The event was a success, with a strong turn out and a great way to kick off the new season! The Ladies' are still looking for someone to fill the role of "Decorator" on the executive. If you are interested please contact Lisa Rolfe at 905-853-8698 or email leesahrolfe@sympatico.ca.

THE HERITAGE

The Heritage bonspiel was held on November 1st, with a return to the traditional team entry format. It was a great day of curling! Congratulations to team Cleutinx - Dan Cleutinx, Val Christiansen, Grant Rodewald and Sharon Cleutinx. - who took first place. The committee would like to thank those who provided prize donations, all the volunteers, Mike Shields, our icemaker and the participating curlers for making the Heritage truly a "Classic". Check out www.york.curlingclub.ca for pictures of this event!

You are invited to explore an ideal marketing opportunity for your business - not only to support our community's passion for the historic Canadian Sport of Curling, but to also provide you with an extremely valuable marketing opportunity.
